

The Presidential Prayer Team™

Mobilizing millions of Americans

1 Timothy 2:1-2

to pray daily for our President, our Leaders, our Nation and our Armed Forces

Encourage your congregation to pray for America and our President on Thursday, May 4th, using the PPT Guide to the 2006 National Day of Prayer. Request yours today before time runs out!

Dear Margaret:

Are you nervous about Americans slipping back into the complacent way we were before the terrorist attacks on 9/11? Are you nervous we'll start trusting in ourselves again, not in God? Are you nervous we'll stop praying for His protections? I am.

Since 9/11/01, our enemies have not suffered from a shortage of commitment. They are still dedicated to our destruction. **We need to be just as devoted to prayer as they are to hatred and violence!** We need to be prayerfully supporting our troops, our nation and our President, as 1 Timothy 2:1-2 says.

The 2006 National Day of Prayer on Thursday, May 4th is the perfect time for your church to pray with hundreds of thousands of Americans that God will bless and protect the United States. **Are you willing and able on Sunday, April 30th to encourage your congregation to pray on Thursday, May 4th?** If so, let me provide you with some helpful materials:
